To Di -

all's I can write in here is that you're just my best friend. We've had some wild times together, coz I never knew anyone so nice as you (also crazy). Remember all last summer, you with your crutches? Last summer we really didn't do too much, so we'll make up for it by having a great time together all summer. And I'll never forget the opening game either, words just can't explain it! haha Remember the time you came down my cousins and me and Kathy was trying to get you to go in the pool? That was a long time ago. Remember how I used to always, still do, walk down your house in the morning? Remember the time we drove over to that shopping center to see Richie Hebner? Remember how you used to always go see Mr. Dlyeski? This year has been a lot of fun but I hope we have some classes together next year.

And that time we had trying to find the bus to New Ken at the stadium, Remember those two old ladies behind us? and the time we put on all those winter hats and gloves and scarfs and stuff, that was so funny? all those dances we went to, and remember the Spanish club party and now we sneaked through the boardroom into school and we thought we were such sneaky people That was fun! Remember at the opening game when Richie Hebner hit a homerun an you jumped all over them people and you kept saying "Oh Wow, Di look it's Charlie Sands right down there!" you got so excited and I thought he was fat. Remember on your birthday when we had those highballs and orange cake! Remember Chiswick when all the lights went out? That was neat, hun. We still have to go to all the games in the summer. Pirate Games. And all the cheap lunches we ate like brownies and ice cream? I know I'll never forget any of it, and I hope you don't either, besides I'll always be around to cheer you up, but I always thought you were more cheerfull than me anyway. Well I'm running out of room, so I just hope I "remembered" everything. I think I did. ha ha. Di, stay as nice and friendly and cute and crozy that you always your friend Di

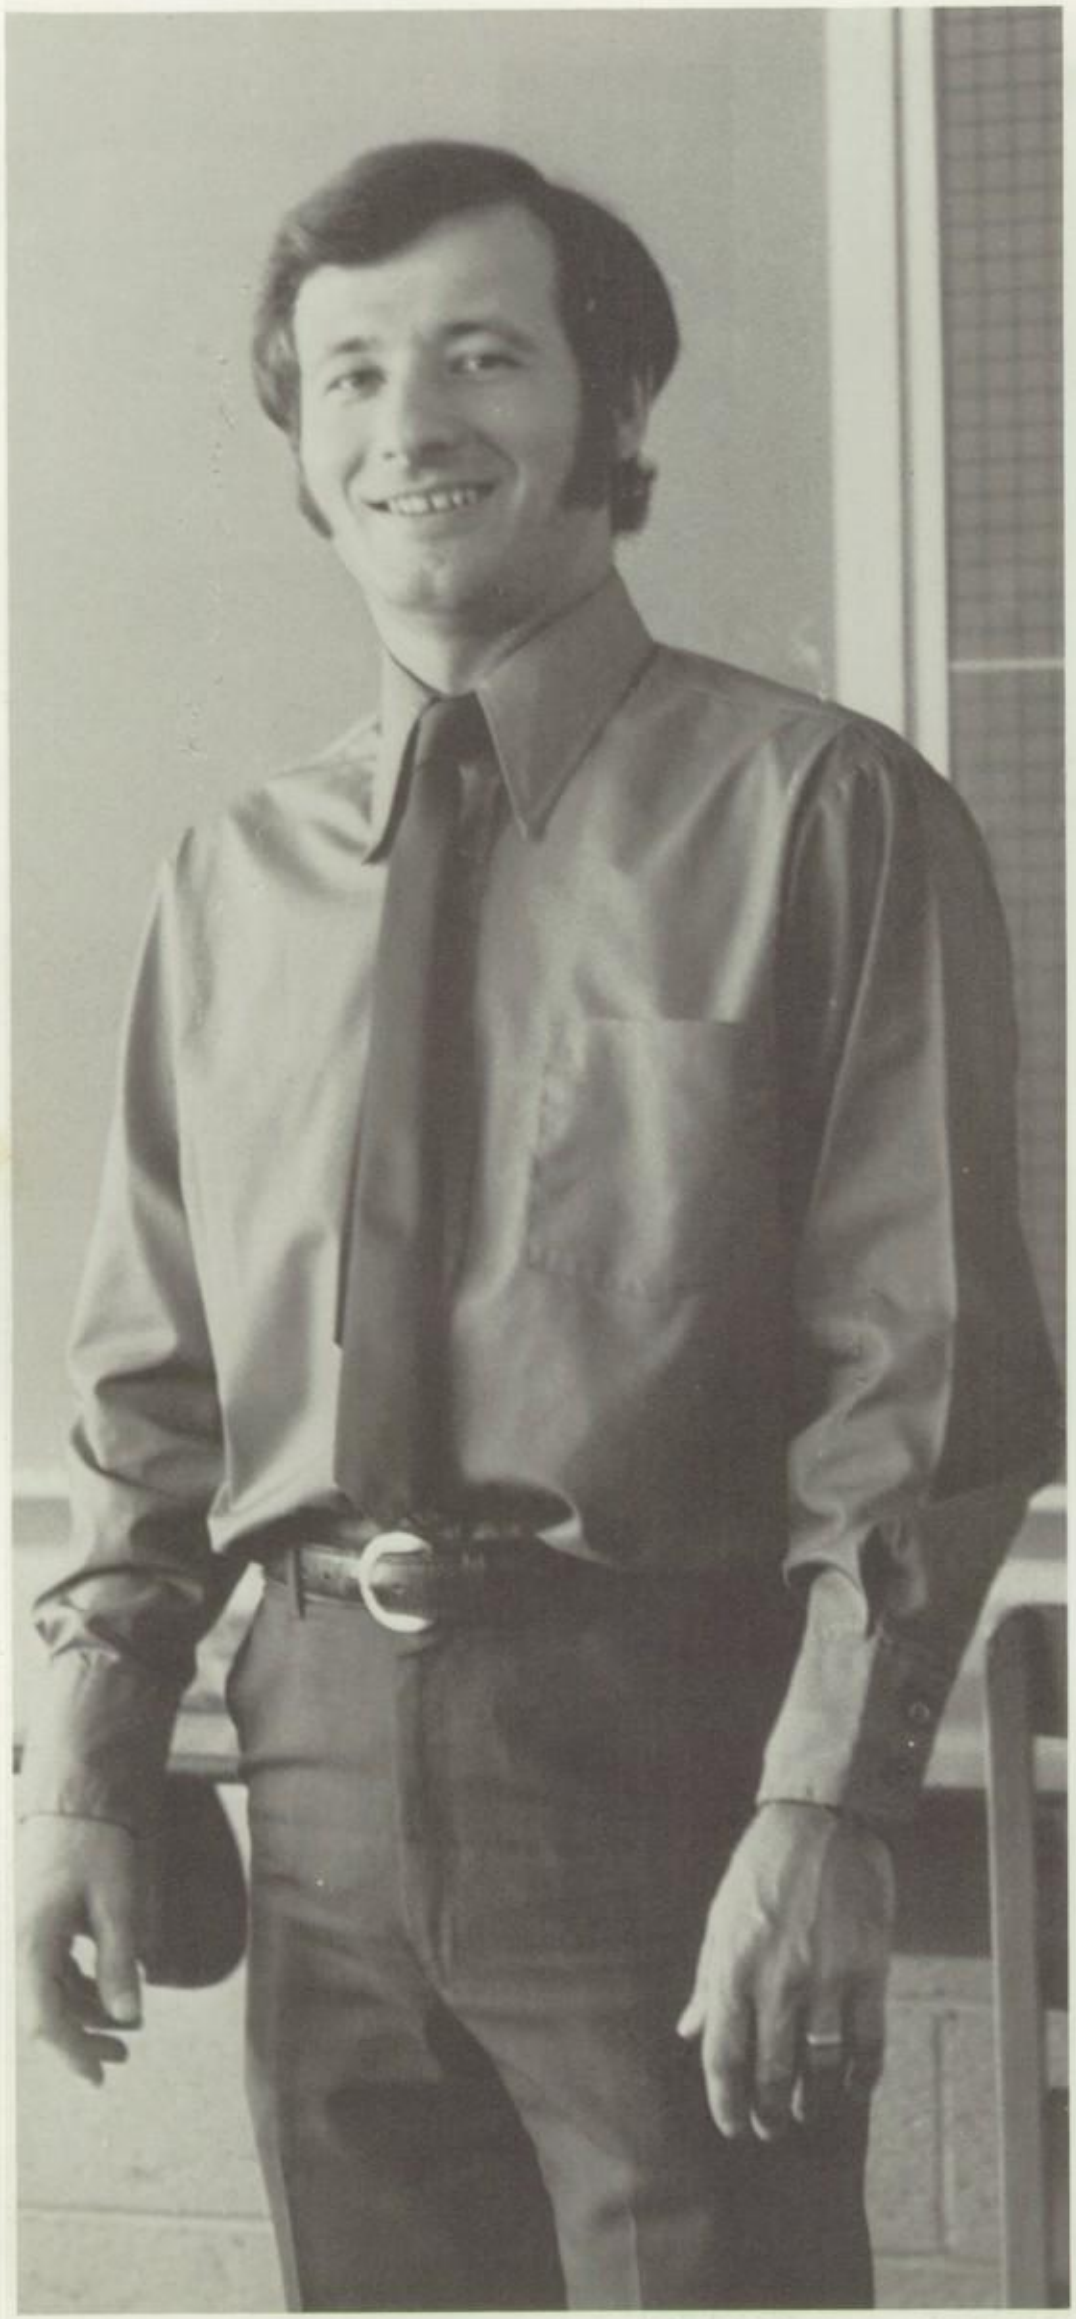
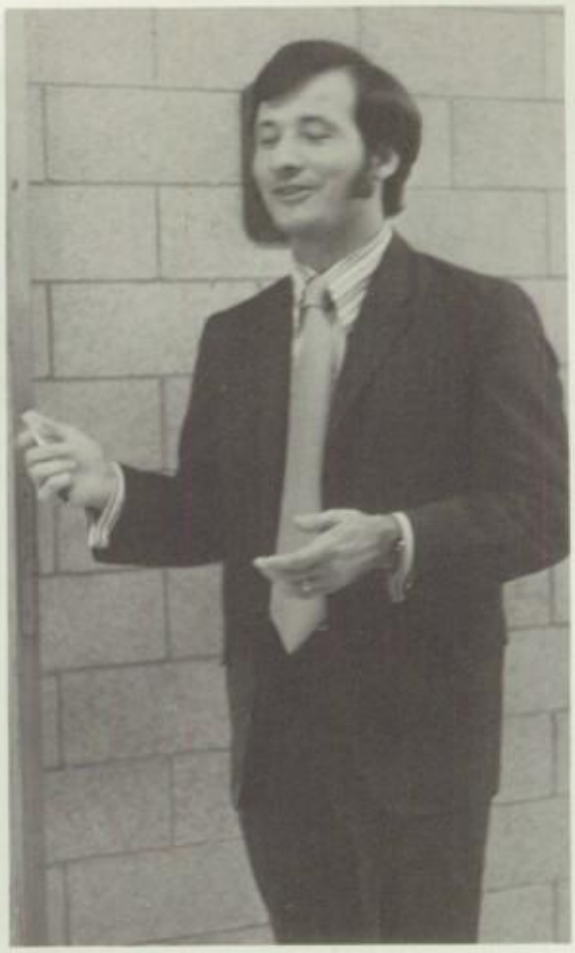
The Senior Class
of 1972
proudly dedicates
the yearbook to

Mr. Jacob Tabish





It is apparent by the amount of interest and involvement Mr. Tabish has with the students and faculty of S.H.S., that what he lacks in height, he makes up for in other ways. As a teacher, Mr. Tabish not only makes his classes enjoyable, but teaches the students as well. He is able to create an atmosphere of friendliness and humor in the classroom that makes his students willing and ready to learn what he has to offer. Only a few of us actually know Mr. Tabish as "Coach", but we are all well aware that Mr. Tabish is the head coach of S.H.S. Gymnastics Team. With the help and guidance of Mr. Tabish, Springdale High has been able to produce many fine gymnasts and an ever increasingly successful gym team. Not only is Mr. Tabish a teacher and coach, but most important of all he is a friend to all at S.H.S. We, the student body, take pride in this fact, and look up to and respect Mr. Tabish for what he is and what he has done for the betterment of our school. As a small token of our thanks and appreciation, we are proud to dedicate the ELECTRA '72 to Mr. Jacob Tabish.

Diane,

Io a really nice and cute girl. Remember all the fun we had in gym class playing baseball with a volleyball? so running around like a bunch of idiots. Remember when you and Diane came down and we made those blue cookies. Remember when we went to the soccer game and on the way home when it started to rain and that kid gave us a ride home. Remember going to band with are money and splitting it up then we went to

Diane,

Well I really don't know where to start. We've done so much I could write a book. I've known you since you lived across the street from me. Remember all the stupid things we did? The times we would sleep out and John would come down. Remember the time we slept out and John came over and I was stuck in my sleeping bag and when your mom comes out I thought I was gonna die. Remember our great baseball games. When we would try to beat up John and we ripped his shirt that was Anthony. we tried to sew it. How about when all of us liked Erin. That was pretty funny. Remembe the time we all went bowling? That was fun huh? Don't forget all the times we slept over each others houses. I think I lived with you. Remember our fun times down St. Als. Those were fun. Remember when we quit cheering and we wore our sweaters to school & I did we get in trouble. It was fun though well Di you're a really nice friend and I luv-ya So I gotta close and say I soon for others. Take Care and God Bless

Di,

To the absolute cutest sophmore in SHS. Remember all the fun we had last year in 9-2. Im really glad I got to know you so good last year. I only wish we could be in some classes together this year, so we could be as good of friends as we were last year. I hope I can see you more this summer, so come to the pool, I heard you only came twice last year. Remember last year when me + Dink came down to see you + Di when you were both sick, our soothing hearts made you well again. Good luck in every thing you do in the future, with your personality and good looks Im sure youll go far. I hope sometime in the future that you'll become a personal friend of Richie Hebner, because I know how much you like him. I hope that we can be friends for many years to come, because you're one of the nicest girls I've ever met. Lots of luck in everything.

Love,
Tim

The glory of youth is in their strength.

Rich,

To the best 3rd base woman the pirates will ever have. Remember all the fun we had stacking your locker, and the time Dink and I stole the entire contence. It was a great year but it sure went fast, but I can't say I'm sad its gone. Well, I could write on and on but your year book is a bad influence so stay just as you are and you'll go far

Every year the editors of the yearbook are met by the seemingly impossible task of co-ordinating a book so that it captures memories for every student at Springdale High. Now as the year is drawing to a close and the long hours of hard work are done, we can finally sit back and relax once more.

But before we do, we would like to take this opportunity to thank the many people who have helped us along the way. First of all, we'd like to thank MR. CHARLES E. WILLIAMS, our sponsor and MR. WILLIAM SINCLAIR, our financial advisor, for their help in the past year.

From our staff, we would especially like to thank DEBBIE SOBECKI for her excellent work on the quote and literary committee, MICHELLE MATIJAK and LAUREN STRAND, co-chairmen of the finance committee, our typists, headed by SHARON MARKOSKI, and our publicity committee under the chairmanship of DEBBY SIGMUND. Our thanks also to LOIS POWELL, who did a beautiful job on the artwork for our book this year. Without these people, our yearbook would never have made it off the ground. Also thanks to FRANCINE OLEARCHICK for designing the cover for the book—(from Sue and Cathy.)

We would like to recognize and thank the people from outside our school who have helped us this year. Our deep appreciation goes to the COLAO STUDIOS for their fine photography, to MR. ROY TYSON and MR. JOHN URIAN, our representative from the KELLER COMPANY, and finally to the businessmen and merchants who gave so freely to the yearbook this year.

To our Junior editors, JACK DAVIS, MARLENE VUCHINICH, and MIKE ZORCH, you have a lot of work ahead of you, but with a little luck, we know you'll come through with flying colors next year. GOOD LUCK to all of you.

CATHY CALVERT

Deb

In a world where no one understands,
I'll take my outstretched hand
and offer it to anyone . . .

Diane,
To one of the craziest & cute "little" girls in 10th grade. On and a big Richie Hebner fan. I'll never forget 9-3 last year. That was the best section. I'm glad you were in some of my classes this year. hope you are next year. There were always good times when you were around.
Good Luck
Debbie

Diane,
To a girl who is small in body but big in mind. We really had a blast this year in biology.
Your friend always,
Kix

Di,
I was going to call you the "jolly green midget" but you're not green. You're a small person with a big heart and don't you ever change. Just remember all the times I kidded around with you I was serious.
Love
Chris

Di,
To a very cute, sweet, and nice girl I've know since before 8th grade. Remember Algebra class and how you use to fall asleep except when you got your contacts you couldn't fall asleep. Maybe I'll see you at the pool this year. Good luck in the future and have a enjoyable summer (I know you will)
Maureen
